WINNING COMMUNICATION

Highly effective communication is a key ingredient for any company's ability to prosper and profit. Individuals and teams need to understand one another and communicate with clarity & without conflict. To be successful an organization requires a culture where employees' strengths are recognized and fully engaged and also one where clients' needs are also clearly understood. When this is all clicking productivity soars, employees are retained and the bottom line shows the results.

Lesley Parrott delivers customized winning communication programs to help make this happen. She is an accredited practitioner with Insights® Learning and Development and uses this powerful system in delivering customized programs, which are designed to work for small medium or large groups.

The Insights system is based on the pioneering personality profiling work of Dr. Carl G. Jung who maintained that four personality traits or energies are present in all of us, and the different balances between them are what make us unique. This system is a highly accurate and validated for measuring these balances and helping individuals understand how they and others are likely to respond in a given situation.
